

Business to Business Commuter Challenge October 1-21

October is National Rideshare month and to celebrate GO MAINE is having a 21-day competition, Way 2 GO Maine, a Business to Business Commuter Challenge!

“Green” your commute by carpooling, biking, walking, or busing and then record your trips on the leaderboard at gomaine.nuride.com. The challenge offers not only *healthy* competition, but a chance for team-building, reducing your carbon-footprint and saving money with a chance to earn prizes.

For more information, call GO MAINE at 207-482-8122 or email gomaine@maineturnpike.com.

GO MAINE is a program of the Maine Turnpike Authority and the MaineDOT.
