

**BACTS
Notice of Availability
for Public Comment**

The Bangor Area Comprehensive Transportation System (BACTS) is seeking public comment on amending the 2018-2021 BACTS Transportation Improvement Program (TIP). BACTS is proposing to add a project to the STIP and the BACTS FY 2018-2021 TIP. This proposed project in Old Town is for Preliminary Engineering of geometric and traffic signal improvements at the Main Street and Water Street intersections with Route 2, Center Street.

Project Details

Towns	MPO	Development Responsibility	Scope	Road Name	Description	PE	ROW	Construction	CE	Other	Total
Old Town	BACTS	BACTS	Intersection Improvements	Route 2 Center Street	Geometric and traffic signal improvements at the Main Street and Water Street intersections	\$29,500.00	\$500	\$0	\$0	\$0	\$30,000.00

Please direct comments by mail to the attention of Ms. Cynthia Meservey, BACTS 12 Acme Rd., Suite 104; Brewer, Maine 04412; or by e-mail at cindym@bactsmo.org. Comments will be accepted until 4:00 pm, August 2, 2018.
