

## BACTS Long-Range Bicycle and Pedestrian Plan

### *Kick-Off Meeting*

*June 4, 2018*

### Notes

Attendees:

Rob Kenerson, BACTS  
Cynthia Meservey, BACTS  
Andrew Allen, MaineDOT  
Bruce Mattson, MaineDOT  
Patrick Adams, MaineDOT  
John Devin, MaineDOT  
Kierie Priccininni, BCM Board of Director  
Linda Johns, Brewer  
John Theriault, Bangor  
Tom Errico, T.Y. Lin International

1. Given meetings scheduled for the Head's Up Campaign and general summer conflicts that may impact attendance it was agreed that the first public meeting should occur in September.
2. It was suggested that the public meeting location be at the Cross Insurance Center. This will be investigated by TYLI/BACTS.
3. Given the change in the Public Meeting date, the next Advisory Committee meeting will be on July 26<sup>th</sup>.
4. Given the change in the Public Meeting date, the Final Plan will be submitted at the end of December 2018. Tom will provide a revised schedule.
5. There were a number of key stakeholders that the project should engage including Running Clubs; Mountain Bike Clubs; Bangor Livability Community; Land Trusts; Bangor Green Drinks; etc. Everyone should provide a list and contact information to Connie at BACTS.

6. TYLI shall send an email reminder to Patrick for Crash Data.
7. TYLI will contact BCM regarding available bike and pedestrian data.
8. Belle to provide contact information for Stephen Engle for mapping regarding the Bangor Area trail Maps.
9. Given limited pedestrian volume information, TYLI will focus on noting key pedestrian generator/attractors.
10. TYLI should obtain information on Safe Routes to School studies/projects.
11. TYLI should obtain formal school walking routes/walking school bus routes from area communities.
12. Strava Data will be used to provide general information on higher use roadways.
13. An initial review of the Draft Vision Statement was performed with the following noted comments. Tom will revise the statement and circulate.
  - Replace impaired users with disability users
  - Replace Citywide with Region wide.
  - Note Disability users in the initial first sentence.
  - Some mention of Healthy living and exercise should be included.
  - Aging in place should be noted.
  - Contact Don Cooper/Jim Fisher regarding regional pedestrian and bicycle plans recently completed.
14. All Communication for the project should be to Connie and copy Tom.
