

## **2025-2028 BACTS Transportation Improvement Program Proposed Amendment**

All federally funded projects must be in the State Transportation Improvement Program (STIP) and the Metropolitan Planning Organization's Transportation Improvement Program (TIP) in order to receive federal funding. These projects are located in the BACTS area and are funded with Federal Highway Administration and Federal Transit Administration funds. BACTS must update the TIP when there is a change to any project such as funding increase or a request to add a project to the TIP. These changes must also be reflected in the MaineDOT STIP. MaineDOT must receive the BACTS Policy Committee endorsement when any federally funded project has a major scope change or cost increase or when MaineDOT wishes to add a project to the STIP. All TIP amendments must be posted to the BACTS website for a 10-day public comment period. This period is starting February 17th, 2026.

MaineDOT is seeking a TIP amendment of the following:

Amend the current 2025-2028 TIP to include the FHWA and FTA project list proposed for the 2026-2029 TIP. This allows all 2026 projects to be authorized at their current level of funding, with updated information, prior to the 2026-2029 STIP/TIP approval. Included in this TIP amendment is the 2026-2029 FHWA and FTA project list.

The public comment period will end Friday, February 27th, 2026. Please submit any comments to [info@bactsmmpo.org](mailto:info@bactsmmpo.org).
